## YEAR'S BEST BAROLO

**93** | Parusso

\$85

**2005 Barolo Riserva** A dark, earthy riserva, this wine's generous red fruit is balanced by equally generous, ironbound tannins. The tannins keep everything tightly enclosed for now, giving this the feel of a Barolo far from maturity, though the wine's sophistication and detail is already in evidence. Check on this in another five years; when you open it, you will likely need to decant it to give the tannins plenty of air. *Regal Wine Imports, Moorestown, NJ*
