**Armando Parusso 1999 Barolo Riserva  
Oro Munie**

**Monforte D'alba, Piedmont**

Red wine from Italy

**Drinking window: 2014 - 2029**

A dark, sumptuous beauty, the 1999 Barolo Riserva Oro Munie possesses captivating richness and depth. More explosive and layered than the Rocche, the Munie races across the palate with tons of pure intensity underpinned by considerable structure. Firm tannins give the broad-shouldered Munie much of its shape. Today, the Munie is simply dazzling from the very first taste.
