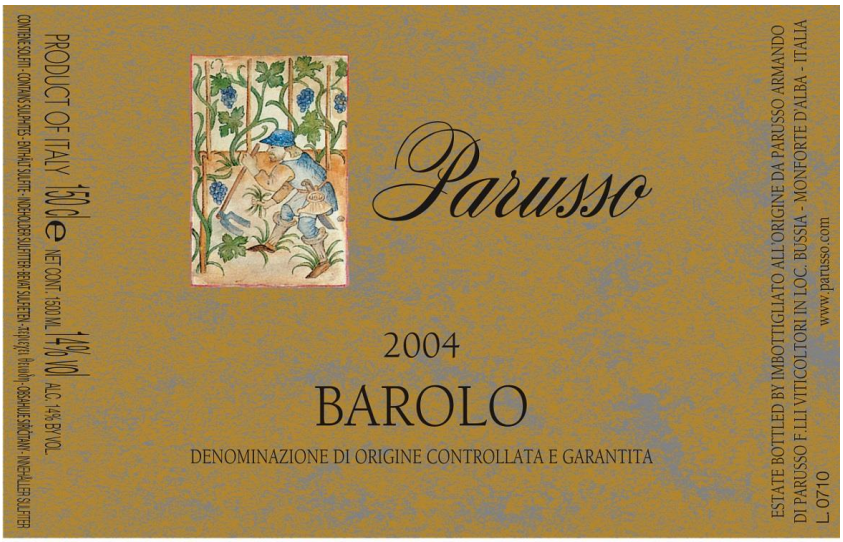
BAROLO BUSSIA RISERVA ORO 2004 – 98 POINTS


This Barolo shows so much funky dried-flower and cedar character. It's like going into a humidor, with tobacco and berry character. It's full-bodied, with powerful tannins and a floral, berry and Spanish-cedar aftertaste. With time in the glass, it becomes an incredible wine with such depth and complexity. Decant two or three hours before. Only in magnum.
