91 **Parusso 2007 Vecchie Vigne in Località Ornati (Barbera d'Alba Superiore); \$45.** Here is a bright and modern Barbera d'Alba with succulent fruit tones followed by chocolate and exotic spice. The wine is soft and plush (it hardly seems like a Barbera if you consider more traditional expressions of this native grape) and would pair with a long list of rich, hearty foods. Imported by Montecastelli Selections. —M.L.
